

MLB-EL70U | WALL WASH | UPLIGHTING

Adjustable Up-Light

The **MLB-EL70U** is the premier directional light, perfect for creating powerful, dramatic effects in wall wash, uplighting, and accent lighting. Its standout feature is the **adjustable projection angle from 0° – 45°**, providing precision to highlight architectural details or tree canopies. This retractable light rises to one of three heights (6"/12"/24") at night, disappearing completely by day. It offers versatile lighting with multiple beam angles and **4 brightness levels**. Its long-term performance is ensured by the robust extruded aluminum housing, stainless steel top, and a **two-layer finish of Anodizing and a weather-resistant powder coat**. The MLB-EL70U is a precise, powerful, and discreet tool for sophisticated lighting design.

Key Features:
