

MLB-EL70DS-LN/LW | PATHWAY & AREA LIGHTING

Long Range Narrow/Wide Beam Illumination

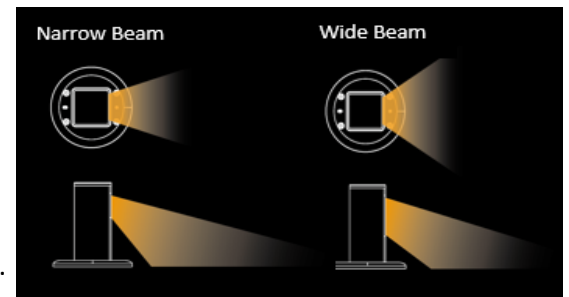

The **MLB-EL70DS-Ln/Lw** is specialized for long-range, focused pathway and area illumination. It features **single-sided illumination** with a choice of optics: **Narrow Beam (Ln)** for high-precision, long-throw lighting, or **Wide Beam (Lw)** for broader distribution. This allows designers to create crisp, defined light lines. It rises to one of three heights (6"/12"/24") for use, then maintains an unobstructed landscape during the day by retracting flush with the ground. With multiple beam angles and **4 brightness levels**, control is precise. Its superior construction—extruded aluminum, stainless steel top, and a **two-layer finish of Anodizing and a weather-resistant powder coat**—guarantees durability for any demanding project. The MLB-EL70DS-Ln/Lw is a reliable, high-performance tool for focused lighting needs.

Key Features:

- **Innovative Retractable Design:** Retracts into the ground when not in use.
- **Focused Illumination:** Offers **Long Range Narrow/Wide Beam Illumination**.
- **Ultimate Durability:** **Anodizing & weather-resistant powder coat finish.**
- **Single-sided Output:** Designed with **Single-sided Illumination**.
- **Precision Control:** Features **4 adjustable brightness levels**

Product Specifications:

Model	MLB-EL70DS-LN/LW
Application	Pathway Lighting, Area Lighting
Illumination options	Single-sided Illumination
Raised Height	6"/12"/24"
Dimensions	2.8"x2.8"
Wattage Options	2.5W
Input Voltage	AC10-18V
Control	4 brightness levels available for adjustment
Beam Angle Options	LN- 30°, LW- 30°x60°
CCT Options	2700K / 3000K / 4000K / 5000K <i>*The light consumes a maximum of 12W while rising</i>
Material	Extruded aluminum housing , Stainless steel top Two-layer finish of Anodizing and a weather-resistant powder coat
Lens	Tempered glass
Waterproof Rating	IP67
Impact Rating	IK10
Certifications	UL 1838, UL8750, CS C22.2 NO.250.7
