Motorized Retractable Landscape Lighting

Where architectural camouflage meets dynamic performance. The New Flip Series redefines landscape illumination with an industry-first smart mechanism. Completely concealed when dormant, it rises upon activation and automatically flips its light source to your pre-set angle delivering precise, powerful projection without altering the pristine daytime landscape.

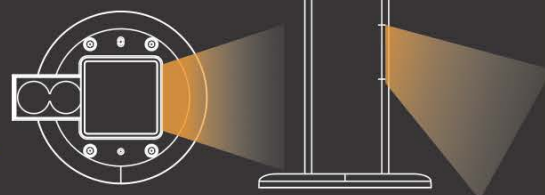

*Adjustable Projection Angle 10° ~ 90° Tuning

Manual micro-adjustments for complex contours.
Smart memory auto-restores the perfect angle next cycle.

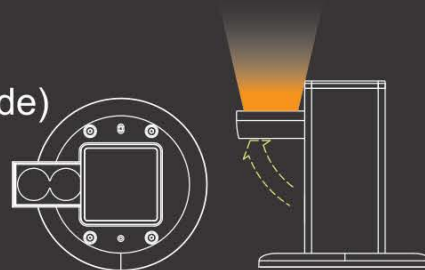

EL70U-FD Dual-Side Hybrid Illumination

AC12V, 8W
*Adjustable Projection Angle 10 ~ 90°
Dimensions: 2.8"x2.8"
Raised Height: 12"/24"
Side A (Flip): 13°x17° / Side B (Fixed): 30°
