

MLB-EL90DSP | PATHWAY & AREA LIGHTING

Patterned Illumination

The **MLB-EL90DSP** is a highly unique retractable light specializing in Patterned Illumination for pathway and area lighting. It provides a sophisticated design element by casting unique textures and visual interest onto hardscapes, moving beyond simple washes of light. The light rises to either a 6" or 12" height to deliver its effect, then fully retracts to preserve the landscape's clean daytime aesthetic. Control is managed via 4 adjustable brightness levels and multiple CCT options. Its superior outdoor longevity is guaranteed by the robust extruded aluminum housing, stainless steel top, and a two-layer finish of Anodizing and a weather-resistant powder coat. The MLB-EL90DSP is a durable, discreet, and elegant choice for designers seeking a signature lighting element.

Key Features:

- **Innovative Retractable Design:** Disappears completely into the ground when not in use.
- **Signature Illumination:** Delivers **Patterned Illumination**.
- **Ultimate Durability:** Anodizing & weather-resistant powder coat finish.
- **Precision Control:** Features **4 adjustable brightness levels**.

Product Specifications:

Model	MLB-EL90DSP
Application	Pathway Lighting, Area Lighting
Illumination options	Patterned Illumination
Raised Height	6"/12"
Dimensions	1.6"x3.5"
Wattage Options	2.5W
Input Voltage	AC10-18V
Control	4 brightness levels available for adjustment
Beam Angle Options	120°
CCT Options	2700K / 3000K / 4000K / 5000K <i>*The light consumes a maximum of 12W while rising</i>
Material	Extruded aluminum housing , Stainless steel top Two-layer finish of Anodizing and a weather-resistant powder coat
Lens	Tempered glass
Waterproof Rating	IP67
Impact Rating	IK10
Certifications	UL 1838, UL8750, CS C22.2 NO.250.7
