

ARCHITECTURAL LIGHTING

Interior LED Lighting Solutions

LEADER IN LED INNOVATION AND HIGH-END MANUFACTURING

TSLC offers high-quality RGBW and white architectural lighting value-engineered to deliver fast ROI.

Built with industry-leading Nichia LEDs, custom optics, superior thermal systems, and seamless integration with DMX controllers, our fixtures rival pricier brands without compromising quality.

Professionals choose us for unmatched value, exceptional service, and reliable illumination.

- ✓ Bin sorted LEDs
- ✓ Precision Optics
- ✓ Thermal Management
- ✓ Plug & Play

The Smart Lighting Company offers high-quality RGBW and white architectural lighting value-engineered to deliver fast ROI. Built with industry-leading Nichia LEDs, custom optics, superior thermal systems, and seamless integration with DMX controllers, our fixtures rival pricier brands without compromising quality. Professionals choose us for unmatched value, exceptional service, and reliable illumination.

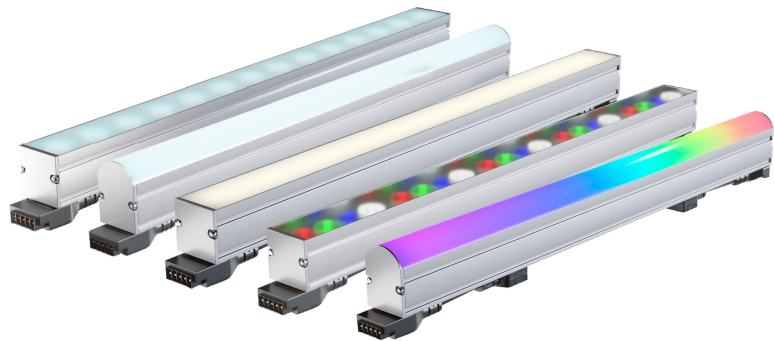

HB30i Series - Indirect or Direct Illumination

An architectural high-performance interior spec grade fixture available in many static color options as well as RGB and RGBW. Choose from flat or dome lens and bottom or side wire feed. This low-profile fixture has precise optics for graze, wash, and general illumination for cove and accent applications.

STATIC COLORS

Model Static HB3014i	Model Static HB3014iR	Model Static HB308i	Model Static flat frosted: HB3024i
Control 0-10v	Fixture Lengths 12", 24", 36", 48"	Lumens 486-700 lm/ft.	
Watts 4.4 w/ft.	Power 100-277v		

RGB/RGBW

Model RGB: HB3015i	Model RGB: HB3018iR	Model RGBW: HB3016i	Model RGBW: HB3036iR
Fixture Lengths 12", 24", 36", 48"	Watts 6 w/ft.	Control DMX	Power 100-277v

JB36 Series - Indirect or Direct Illumination

Connected and powered through magnetic connections, this 24v fixture produces an intense, fluid glow without pixelation. Applications include under cabinet, shelf, kick-toe, and areas where space is limited.

 **Model**
JB36

 **Control**
0-10v dimming

 **Fixture Lengths**
5", 7", 12", 17",
19", 24", 36", 48"

 **Lumens**
420 lm/ft.

 **Watts**
6 w/ft.

 **Power**
24v

 **Beam Angles**
120°

SB18 Series - Indirect or Direct Illumination

A 24v compact fixture designed to produce an even, non-pixelated fluid glow. Illuminate under cabinet, shelf, kick-toe, and in areas where space is limited.

 **Model**
SB18

 **Control**
0-10v dimming

 **Fixture Lengths**
5", 7", 12", 17",
19", 24", 36", 48"

 **Lumens**
420 lm/ft.

 **Watts**
6 w/ft.

 **Power**
24v

 **Beam Angles**
120°

SB Series - Indirect Illumination.

A 24v high intensity architectural linear light bar providing a seamless continuous run for interior graze, wash, and general illumination for cove and accent applications. This ultra-slim, low-profile luminaire is available in many static colors, dimmable and damp location rated.
